

## Ink-O-Matic Refill Supplies

We offer a comprehensive product line to support your inkjet cartridge refilling service. In addition to our Ink-O-Matic Inkjet Refill System and Cartridge Tester, we have a Centrifuge and Sonicator specifically designed for inkjet cartridges.

### Centrifuge

The Ink-O-Matic Centrifuge quickly drains two inkjet cartridges at a time. We recommend it for use with the Ink-O-Matic Inkjet Refill System. It significantly reduces the process time for refilling inkjet cartridges. The Ink-O-Matic Centrifuge is compatible with all cartridge types and is a great way to ensure that all ink is completely drained from the cartridge before refilling.

- Drains ink completely in 70 seconds
- Compatible with all cartridge types
- Easy disposal of waste ink
- Safety lock prevents cover from opening during operation.
- Weight: 35 lbs
- Spins cartridges at 3,000 RPM
- Dimensions (L x W x H): 15" x 17" x 10"

### Ultrasonic Cleaner

The Ink-O-Matic Sonicator thoroughly cleans inkjet cartridges. Unlike traditional sonic washes that require a lot of cleaning solution, the integrated reservoir was designed to use as little cleaning solution as is effective. The heated cleaning solution can be drained and supplied at the push of a button.

- Cleans cartridges ultrasonically using a 50 kHz frequency
- Cleaning solution fills from an integrated reservoir
- Cleaning solution is quickly heated to the optimal temperature
- One touch filling and draining of cleaning solution
- Dripless bulk cleaning solution container is easily exchanged
- Cleaning solution consumption is minimized due to the correctly proportioned size of the cleaning cradle
- Weight: 18 lbs
- Dimensions (L x W x H): 11" x 14" x 9"

### Refill Supplies

We also offer a variety of inkjet cartridge refilling supplies to provide our clients with a one-stop shop for all their refilling needs. We offer competitive pricing on all supplies, including:

- Bulk inks
- Tester Roll Paper
- Cleaning Solution Casings
- Refill Stickers
